Regarding: Resignation from the Sunnyvale Personnel Board

Mr. Chu, I wanted to inform you that I have accepted a job with Yahoo as the Regional Vice President of Human Resources for their Asia/Pacific region. My wife and I will be moving to Hong Kong in the near future.

Due to this I will need to resign from the Personnel Board effectively immediately. I have enjoyed the experience of participating as a volunteer, and would like to consider the possibility again in approximately three years when I anticipate returning to Sunnyvale.

Regards,
